RE: Appraisal of two improved commercial parcels in Key Biscayne, Florida for potential acquisition by the Village of Key Biscayne

Dear Mr. Burnstein:

Please accept this letter as my proposal to prepare a self contained appraisal report for the following two parcels in the Village of Key Biscayne, Florida:

Parcel 1: The Miami-Dade County Property Appraiser identifies this parcel under two folio numbers as follows: 24-4232-002-0030 and 0021

Parcel 2: This parcel is identified as 24-4232-002-0020.

Due to common ownership and contiguity, these parcels will be appraised as a single parent tract.

This appraisal will be prepared in compliance with the following: Uniform Standards of Professional Appraisal Practice (USPAP), as adopted by the Appraisal Standards Board of the Appraisal Foundation; the requirements of the Real Estate Appraisal Board of the Florida Department of Professional Regulation; and the Code of Professional Ethics and the Standards of Professional Appraisal Practice of the Appraisal Institute.

A handwritten signature in black ink, located in the bottom right corner of the page. The signature is stylized and appears to be the initials 'MB' followed by a flourish.

Our fee to appraise this property would be a total of \$10,000 for both parcels 1 and 2 as a single parent tract. We would deliver two hard copies and one electronic copy within 40 days of your authorization to proceed.

I don't think a fixtures appraiser will be needed, but should there be a need to value fixtures and equipment, that fee would be added to our appraisal fee.

Thank you for the opportunity to present this proposal. I look forward to working on this assignment for you.

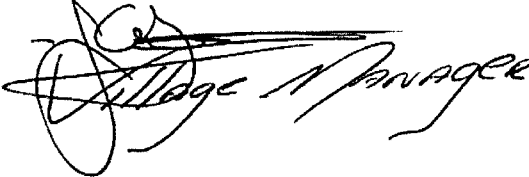

Regards,

Edward
